Dear Mr. /Ms.

**SUBJECT: Conditional acceptance into the International Experience Canada initiative**

We are pleased to inform you that you meet the eligibility requirements of the International Experience Canada (IEC) initiative for citizens of Japan. This conditional acceptance is valid until 7/31/2013 (MM/DD/YYYY). This letter alone does not allow you to enter Canada.

You must now begin Stage 2 of the application process: Immigration Assessment, to determine your eligibility for a work permit and admissibility to Canada. Stage 2 must be successfully completed before you travel to Canada and begin your participation.

You will need the electronic copy of this IEC conditional acceptance letter available when completing Stage 2 of the application process. You must complete Stage 2 before the expiry date of this conditional acceptance letter.

To begin Stage 2, please visit [Citizenship and Immigration Canada](#) (CIC) and complete the "Come to Canada" questions. This will enable you to create your own MyCIC account, which is required to initiate your work permit application. Please note that Stage 2 is administered by CIC.

If your application for a work permit is approved, you will receive a Letter of Introduction from CIC, which you need to carry with you when travelling to Canada. If your application for a work permit is refused, you will receive a letter from CIC providing the reason(s). We **strongly** recommend that you do not book or pay for any travel to Canada, buy comprehensive health care insurance for your stay in Canada or make any commitments to employers, landlords, or roommates, before you receive your Letter of Introduction from CIC.

Additional details regarding the IEC application process can be found on the [IEC website](#).

Thank you for your interest in participating in the IEC initiative.
